SIR,

Subject - Laying 4" & 3" C I Main from
Chamarajpet- R C C overhead tank to
Gavipur Guttahalli extension

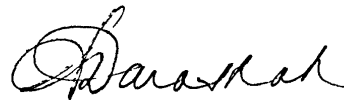

I have the honour to state that the Municipal Council at their meeting held on 12-5-1945 approved the estimate for Rs 9960/- for the above work

2 The Executive Engineer, Water Supply Division, who was requested on 6-6-1945 to obtain sanction of Government to the estimate (as the cost of the same exceeded Rs 5000/-), replied to the effect that the Chief Engineer, who had powers to sanction estimates up to Rs 10,000/- had already sanctioned the said estimate, and requested that the amount of the estimate may therefore be remitted. The papers were again returned to the Executive Engineer pointing out that according to the article 24(11) of Municipal Account Manual all the estimates exceeding Rs 5000/- required the sanction of Government. The Executive Engineer has now returned the same for obtaining the sanction of Government to the estimate from this office. It is therefore requested that sanction of Government may kindly be obtained to the estimate, as the cost exceeds Rs 5000/-

3 Copies of the resolutions of the Managing Committee and the Municipal Council passed in the matter are herein enclosed for favour of reference, and the file of correspondence ending with the Executive Engineer's No 1679 dated 4-12-1945

together with the estimate and sketch is also
enclosed for reference and return when done with

I have the honour to be,
Sir,
